Mandatory Shipments Models: Update November 2023

Dear Intercounty Members,

We will be moving to an automated Mandatory Ship process. All committed Mandatory Ship models need to be shipped within 14-days, regardless of the fully committed status of the entire order. Since this is system generated, there will be NO exceptions.

All models listed with memo code "I" on Retail Deck are Mandatory Ship models, as well as closeout/buy in opportunities. We will also be including RAC and Grills for the summer season. Please see the attached memo with the updated listing and notes.

A list of your mandatory ship products can be found on the Dealer Reporting Portal in the Sales Orders folder: [Mandatory Ship Detail](#).

Thank you for your cooperation in this matter.

Sincerely,

John R. Graff

John R Graff
Executive Director
