NEWS FLASH

From Economist Joe Higgins

Flash Retail Sales Report

March's [Flash Retail Sales Report](#) reflects the early impacts of the tariff announcements. Either consumers are panic-buying or are just our spending money as usual. There is no historical precedent to help predict it either way. We need 2 more months of data to give a clear view of our economic future. The full flash report is on the IAC website under General Information. *Report provided by AVB/Brandsource.*
