From Economist Joe Higgins

Flash Unemployment Report - November

November's [Flash Unemployment Report](#) shows that the job market is in dire shape as we enter the new year. The Fed is actively pursuing a strategy to prevent its slow decline by cutting rates to boost the economy. The flash report is posted on the IAC website under General Information for full details. *Report provided by AVB/Brandsource.*

Flash Consumer Price Index Report - November

The [Flash CPI Report](#) brings good news for the economy, as it shows lower inflation than most expected. The data-collection delays and government shutdowns are concerning but will be
